Dear Salih

Thank you once again for your generous sponsorship for Clermont Race Club 2014 Racing Season. Our community race events would not have been a success without the generous support you and the other local sponsors have provided us throughout the season.

We appreciate the willingness with which you continue to sponsor the Clermont Race Club so that these events are a successful day for our community.

We look forward to your continued support for future race events.

Our next meet scheduled for 18 July is fast approaching and we welcome and any suggestions, financial or "in-kind" assistance you can offer to ensure another great winter's day of racing.

We look forward to hearing from you.

Yours sincerely

Deb Alvoen
Sponsorship Coordinator
